**ARCHI** Pierre Paulin

Archi's generous slope and ergonomic seat design support the body perfectly. The high back enables one to rest the head and shoulders. Available with or without arms. The legs come in black lacquer or brilliant chrome. Removable cover.

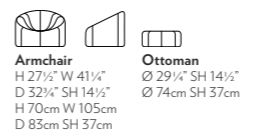

**ANDA** Pierre Paulin

The elegance of Anda is apparent in its curves, which envelope the body beautifully. Its comfort comes from elastic webbing suspension and Bultex® foam. This armchair is available either fixed or swiveling and in both high and low back versions.

**PUMPKIN** Pierre Paulin

First edition from the private collection of former French president Georges Pompidou in the Elysée Palace. Soft, organic, round shapes and firm seating comfort all characterize the

Pumpkin collection. The armchair is offered with a swivel or fixed base as well as with or without headrest. A small ottoman complements the line. Covers are removable.

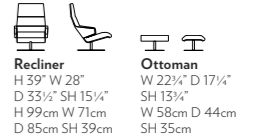

**JUL & JIL** Alban-Sébastien Gilles

Jul & Jil share the same dynamic lines, the same compact dimensions and the same comfort but differ from each other in subtle ways: Jul's lines are angled and masculine, while Jil's are more curvaceous and feminine. Removable covers and adjustable feet.

**TORN** Christian Werner

Torn is a relaxing armchair with a simple appearance that does not compromise on comfort. The stitching emphasizes its outline and gives the recliner its distinct shape. The swivel base comes in brilliant chrome and the resin shell is available in matte black or white.

**MOEL** Inga Sempé

With the exception of the thermoformed ABS back interior, Moël is a return to the all foam know-how of Ligne Roset. This armchair offers the most pleasant experience possible, promising both relaxation and security. It will appeal most to lovers of an informal lifestyle. The

rounded lines enhance the general impression of comfort. Available with a high or low back. The back of the model is fixed by a metallic zipper, visible from the front.

**PLURIEL** François Bauchet

Pluriel combines high standards of comfort with sleek and curvaceous design. The armchair comes with a low or high back and aluminum feet. The low back version is offered with a fixed or swivel base. Square and rectangular ottomans are available.
